

Puente Acuña

This is the subdivision that is right at the heart of the city...within the city proper located along Rizal Street. From its entrance, one can see the Provincial Capitol and the City plaza.

Buyers who want the urban life and would like to be a minute's drive to their work place in the city, will appreciate living in Puente Acuña. They may choose among large spacious lots to smaller, more affordable ones.

Puente Acuña is a 2.9 hectare joint-venture project of Ancor Devcor with the Acuña family. It shall be a complete subdivision with a unique feature of a concrete bridge at its entrance connecting it directly onto Rizal Street. It shall include concrete roads and drainage with a 12-meter avenue, park and playground for its residents, and efficient water and electrical facilities. Due to its proximity to the waterways around it from the winding river of the city, Puente Acuña residents will enjoy its cool air ambiance.

The convenience of the city life is yours if you live at Puente Acuña. You will be located right where the City Hall, the mall, the commercial district, the schools, the market, the Dinggoy Roxas Civic Center, the Provincial Capitol and Immaculate Concepcion Metropolitan Cathedral are. The peaceful yet progressive pueblo life will be yours at Puente Acuña.
